Federation of New York Insurance Professionals

The Federation of New York Insurance Professionals, Inc., founded in 1943 as the Federation of New York Insurance Women, is a professional organization comprised of local associations. Our membership is open to anyone, regardless of gender, who is active in the insurance industry and related fields.

The purpose of the Federation of New York Insurance Professionals, Inc. is to provide our members with skills and experiences that will help them to progress in the risk and insurance fields. Through our educational, networking and philanthropic activities, we strive to enhance the image of the professional insurance person.
